From (Name) W.E. Smith Esq, M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

The Correspondent, St. Agnes College, Mangalore has submitted an application for grant towards the cost of providing additional accommodation for the institution. The proposal is to extend the existing building by the construction of two more class-rooms, one on the ground floor and the other on the upper floor.

2. It is reported that at present the 2nd and 3rd .... University Classes are held in one hall with just a screen partition between them and that the 4th class is located on the permanent stage of the college. The college staff is at present lodged in a part of an enclosed verandah adjoining the library which is also in urgent need of extension. The proposal is therefore to shift the staff-room into the hall

now occupied by the 2nd University class, to leave the stage free and to shift the 2nd and 4th classes into the new rooms in the proposed extension. During my visit to the institution I examined the accommodation and the size of classes and I consider the proposed extensions necessary.

3. The cost of the work as estimated by the management is Rs.9000 but the consulting architect to whom the plans and estimates were referred has made certain suggestions by adopting which the cost may be reduced to Rs.7,870.

4. I recommend that the scheme may be included in the list of approved works so as to render the management eligible for a grant not exceeding Rs.3,935 if and when funds become available provided the conditions of the Grant-in-aid Code are duly complied with.

5. The plans and estimates are herewith enclosed for reference

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction
